ART HARVEST

CALL TO ARTISTS: August and September 2021

Hosted by Largo Public Library, 120 Central Park Drive, Largo FL 33771

A themed exhibition, open to artistic interpretation.

We would appreciate artworks that embody autumn and harvest themes (Fall scenes, farm scenes, still lifes, fall colors, nature scapes, autumn family scenes, THE ARTIST CAN INTERPRET THE THEME AS THEY LIKE, BE IMAGINATIVE!).

This venue has a combination of wall space and glass display cabinets to host small sculptures, jewelry and small framed art on tabletop easels. Artists are responsible for providing easels for small works that need them. Priority space in the cabinets will be given to artworks small enough to fit.

Entry fees cover the cost of art title cards and marketing materials to drive visitors to the show. \$5 per artwork, limit three works per artist. Entries close IF the space is filled. First come, first serve. Family friendly artworks only. No commissions taken on art sales. We humbly ask for no NFS (not for sale) works.

Send your entry information to LYLEPOLYAK@TMAF4ME.COM including: 1.) Your title, 2.) Your medium, 3.) Price, 4.) Phone or email to contact the artist for sales, 5.) Please include "ART HARVEST" in your email.
